

Should it be changed?

UNCC Parking

Introduction

- Ten different schools to incorporate alternatives for UNCC
- Parking allowed for freshmen?
- What types of parking decks are most economically efficient?
- Should there be changes about UNCC parking?

Ten Schools

- Urban
- Same size in students, faculty and staff
- Different ideas

Wayne State University

- Certain deck or lot parking
- Semester tags
- Toll booth daily pay
- Freshmen get full advantage
- Faculty/Staff is same as students

Portland State University

- Little amount of parking
- Credits taking during semester
- Sectioned parking
- Carpool

Portland State University (Contd.)

- Monday, Wednesday Friday and Tuesday, Thursday, Friday permits
- Freshman get full treatment
- Faculty/ staff has same parking as students

University of Alabama - Birmingham

- Year or semester fee
- Assigned parking but additional fee for extra lots
- Faculty/Staff is first come first serve
- Freshmen are allowed full parking

Pittsburgh University

- Low amounts of parking
- Pay as you park
- Random lottery for residents

Pittsburgh University (contd.)

- Choice of decks or lots for commuters
- Choice parking and costs monthly for
faculty/staff
- Assumed freshmen parking

University of Memphis

- Tuition parking
- Priority gate for faculty and staff
- Extra for residents and freshmen parking
allowed

Indiana University Purdue University Indianapolis

- Annual and semester rates
- General and specified area parking
- Faculty/Staff is same as students
- Freshmen are allowed to park

University of Toledo

- Upper and lower class separate parking
- Faculty/Staff has passes according to age, profession, duration during the year
- Graduates given staff privileges

North Carolina State University

- First come first serve
- Amount of credit hours previously taken
- Faculty/Staff given permits and pay through deduction, and have specified zones
- Bad parking for freshman

Auburn University

- Parking zones
- Better zones is more cost
- Better permit allows to park in lesser areas

Auburn University (contd.)

- Faculty/Staff is same as students and park together
- Assumed freshmen parking

Deck sizes

Type of Facility	Total Parking Spaces		Type of Facility	Total Parking Spaces
Urban, Surface (S)	60		Urban, 3-Level Structure (M)	360
Urban, 2-Level Structure (S)	120		Urban, 4-Level Structure (M)	480
Urban, Surface (M)	120		Urban, 2-Level Structure (B)	480
Urban, 3-Level Structure (S)	180		Urban, 5-Level Structure (M)	600
Urban, 4-Level Structure (S)	240		Urban, 3-Level Structure (B)	720
Urban, 2-Level Structure (M)	240		Urban, 4-Level Structure (B)	960
Urban, Surface (B)	240		Urban, 5-Level Structure (B)	1200
Urban, 5-Level Structure (S)	300			

Deck Cost

Type of Facility	Total Costs		Type of Facility	Total Costs
Urban, Surface (S)	\$4,054,216.07		Urban, 3-Level Structure (M)	\$18,721,181.69
Urban, 2-Level Structure (S)	\$6,806,374.78		Urban, 4-Level Structure (M)	\$31,248,332.78
Urban, Surface (M)	\$5,220,573.62		Urban, 2-Level Structure (B)	\$18,561,923.56
Urban, 3-Level Structure (S)	\$10,804,520.10		Urban, 5-Level Structure (M)	\$44,002,026.89
Urban, 4-Level Structure (S)	\$17,068,095.65		Urban, 3-Level Structure (B)	\$34,554,504.87
Urban, 2-Level Structure (M)	\$10,724,891.04		Urban, 4-Level Structure (B)	\$59,608,807.05
Urban, Surface (B)	\$7,553,288.73		Urban, 5-Level Structure (B)	\$85,116,195.27
Urban, 5-Level Structure (S)	\$23,444,942.70			

Changes?

- No change in disabled, motorcycle, ADA, Van accessible, reserved and meter
- Allowed freshmen parking
- Same style parking for short-term as for long term, but different layout

Alternatives

- Green, Yellow and red parking for students,
Faculty, and Staff
- Seniority is priority
- Different areas for residential and commuting

Levels of parking

- Green is best with 17% of top parking (most expensive)
- Yellow is second best with 22.4% mid-range parking (moderately expensive)
- Red is worst parking with 34.7% poor parking (cheap)

Map with alternative

Seniority is Priority

Day of the week	Year or Degree	Day of the week	Years taught at UNCC
Sunday	Post - Doctorate	Sunday	35+
Monday	Doctorate	Monday	34-25
Tuesday	Master	Tuesday	24-15
Wednesday	Senior	Wednesday	14-5
Thursday	Junior	Thursday	4-1
Friday	Sophomore	Friday	<1
Saturday	Freshman	Saturday	<1

Residential and Commuting Parking

- Residents will have a number to park in.
- Commuters will have the green, yellow, red system
- Residents are allowed to park in red zones of commuter areas only
- Resident areas take up 26% of the parking area.

Conclusion

- Ten schools
- Freshman parking
- Decks
- New Alternative

Any Questions?
